UNITED STATES MINT

**UNITED STATES MINT  
2010 AMERICAN EAGLE ONE OUNCE  
SILVER PROOF COIN**

The United States Mint is proud to announce that the 2010 American Eagle Silver Proof Coin is now available for purchase. The American Eagle Silver Proof Coin is a collector version of the official United States Mint American Eagle Silver Bullion Coin. It weighs one troy ounce and contains .999 fine silver. Each coin is struck multiple times on specially polished dies, creating a beautiful frosted image of Adolph A. Weinman's classic Liberty that appears to float above a polished field. The coin also bears the "W" mint mark reflecting its striking at the United States Mint at West Point. Each coin is packaged in a blue velvet, satin-lined presentation case and accompanied by a Certificate of Authenticity signed by the Director of the United States Mint.
